

Communication & Its Significance

Mandatory Skills Training — BSIS Required

Duration: 4 Hours

Authority: BPC §7583.6(b) | Title 16 CCR §643(b)

1

MODULE 1

Internal Communication — Protocols, Radio & Technology

BPC §7583.6(b) | Title 16 CCR §643(b)

Who to Contact & When

Post orders specify the exact chain of command for your assignment

Always know before shift: supervisor name, contact number, escalation path

Immediate supervisor: routine contacts, minor incidents, scheduling

Site manager / MACCESS INC. dispatch: use-of-force incidents, arrests, media

Emergency (911): any threat to life, active crime, medical emergency

Log every contact: who, when, what was said, what action was taken

Technology: Radios, CCTV & Monitors

Radio protocol: listen before transmitting — do not interrupt

Identify yourself on every transmission: '[Post/Name] to [Recipient]...'

Keep transmissions brief and professional — radios are monitored

CCTV: log timestamps and camera IDs for any incident footage

Access control panels: know your assigned codes and reset procedures

Alarm systems: know each alarm type, required response, and reset authority

Technology failure: know the manual backup procedure for every system

2

MODULE 2

External Communication — Emergency & First Responders

BPC §7583.6(b) | Title 16 CCR §643(b)

911 Protocol — What to Communicate

1. YOUR LOCATION first: address, building, floor, exact area
2. Nature of emergency: crime in progress, medical, fire, active shooter
3. Number of persons involved and their location
4. Suspect description if applicable
5. Any weapons visible or reported
6. Your name and callback number — STAY ON THE LINE

Do not hang up until dispatcher tells you to

Briefing Law Enforcement on Arrival

Hands visible at all times — announce yourself clearly

Provide brief verbal briefing: situation, parties, hazards, what you have done

Transfer custody of any citizen's arrest subject immediately

Make your notes and observations available to officers

Do not give opinions — give facts and let officers investigate

After handoff: complete your incident report and notify MACCESS INC.

3

MODULE 3

External Communication — Medical Personnel & City Services

BPC §7583.6(b) | Title 16 CCR §643(b)

Medical Personnel (EMS/Paramedics)

Call 911 immediately for any medical emergency — do not delay

Clear a path for paramedics — move bystanders back

Brief EMS on scene: what you observed, time of onset, any known conditions

Do NOT share patient information with bystanders or media

If patient is also a detainee: notify police before EMS departs

After EMS arrives: your role is crowd control and scene security

City & Government Services

Code enforcement: allow entry, notify property manager immediately, document

Fire department: execute evacuation plan, meet at command post, provide building info

Utilities (gas, water, power): call utility emergency line + 911, evacuate if directed

Health inspectors, building inspectors: cooperative access, notify management

All government agency visits must be logged in your shift report

Media: no comments — refer all media inquiries to MACCESS INC. management

4

MODULE 4

Communication with Law Enforcement & Non-Verbal Communication

BPC §7583.6(b) | Title 16 CCR §643(b)

Communicating with Police & Sheriff

Always identify yourself as a security guard — not a police officer

Transferring a citizen's arrest: state the basis for the arrest clearly

Provide written notes or incident report draft if available

Never impede a law enforcement investigation

If asked to do something you believe is unlawful, comply and document

Follow-up: note officer name, badge number, agency, and report number

Non-Verbal Communication

Body language accounts for majority of communication impact

Posture: upright and alert — signals confidence and authority

Eye contact: professional, not aggressive staring

Hands: visible and open — closed fists or crossed arms = escalation

Proximity: maintain appropriate distance — do not crowd

Tone of voice: calm, controlled, even — never match agitated energy

Facial expression: neutral and professional — avoid contempt

Course Complete

Communication & Its Significance

Proceed to the online assessment. A score of 100% is required to receive your BSIS Certificate of Completion per BPC §7583.6(b) | Title 16 CCR §643(b).
