1

Report Writing

BSIS Training Standards

Which of the following best describes the required standard for a BSIS-compliant security incident report?

- A. Written from memory at the end of the guard's shift using general recollections
- C. Based on the guard's professional assessment of what most likely occurred

- ✓ **B. Factual, accurate, complete, clear, and completed as close to the as possible**
- D. A brief summary focusing on only the most significant elements of incident

B

2

Report Writing

BSIS Training Standards

Security incident reports must be written in which grammatical form?

- ✓ **A. First person — 'I observed...', 'I heard...', 'I responded by...'**
- C. Passive voice throughout — 'The door was found unlocked' — to avoid assigning blame

- B. Third person — 'The officer observed...' to create an appearance of objectivity
- D. Abbreviated shorthand to maximize efficiency and reduce report time

A

3

Report Writing

BSIS Training Standards

When should a security incident report ideally be completed?

- A. At the conclusion of the guard's shift, after all events of the day have occurred
- ✓ **C. As close to the time of the incident as possible — ideally within one hour**

- B. Within 72 hours of the incident per BSIS administrative requirements
- D. Only after consulting with a supervisor to confirm the facts

C

4

Report Writing

BSIS | Legal Standards

Which of the following content should NEVER be included in a security incident report?

- A. The precise time and date the incident occurred
- ✓ C. The guard's personal opinions, speculation, or conclusions about guilt or motive
- B. Direct quotes from witnesses, attributed clearly
- D. A physical description of any person involved in the incident

C

5

Report Writing

BSIS Training Standards

A guard discovers a factual error in an incident report they submitted earlier in the shift. The correct action is to:

- A. Destroy the original report and prepare a corrected version from scratch
- ✓ B. Draw a single line through the error, write the correction, and add the date — never erase
- C. Leave the error in place, as the report is already submitted and cannot be changed
- D. Ask a colleague or supervisor to correct the report on the guard's behalf

B

6

English Language Documentation

BSIS Training Standards

A guard whose primary language is not English must write all official BSIS incident reports:

- A. In their primary language to ensure accuracy of the documented facts
- ✓ B. In English — all BSIS documentation must be in English for legal purposes
- C. In either English or their primary language, provided the content is factually accurate
- D. In both languages simultaneously to ensure maximum comprehension

B

7

English Language Documentation

BSIS Training Standards

When a witness speaks limited English, a guard's documentation obligation requires:

- A. Omitting the witness account from the report if full communication was not possible
- C. Writing the witness account based on what the guard believed the witness intended to communicate

- ✓ **B. Using an interpreter, translation application, or other aid — and documenting the method used**
- D. Requiring the witness to return at a later time when a bilingual guard is available

B

8

Observation & Patrol

BSIS Training Manual

Effective security patrol technique requires that a guard:

- A. Follow the identical route at the same time each round to demonstrate consistency
- C. Minimize unnecessary movement to preserve energy and readiness for emergencies

- ✓ **B. Vary both the timing and the route of patrol to prevent establishing a predictable pattern**
- D. Remain at a central observation point to maximize coverage of the area

B

9

Observation & Patrol

BSIS Training Manual

During a routine patrol, a guard discovers an emergency exit that is propped open but is normally kept secured. The correct response is:

- A. Assume it was opened accidentally and continue patrol without intervention
- C. Leave the exit as found and report it only if it is still open at the end of the shift

- ✓ **B. Close the door, document the anomaly in the shift log, and notify the supervisor**
- D. Alert law enforcement immediately — propped emergency exits are always a criminal matter

B

10

Observation & Patrol

BSIS Training Manual

The primary purpose of security patrol observation is:

- A. To maximize the number of public contacts and interactions during a shift
- ✓ B. To detect and deter security threats, safety hazards, and policy violations at the post
- C. To enforce parking regulations and unauthorized vehicle violations
- D. To generate documentation for potential future litigation

B

11

Questioning Techniques

BSIS Training Manual

When approaching a person who appears to be behaving suspiciously, the guard's questioning should:

- A. Demand immediate answers — security guards have authority to require responses
- ✓ B. Use open-ended, neutral questions that do not presuppose guilt or wrongdoing
- C. Consist exclusively of yes-or-no questions to maintain control of the interaction
- D. Include covert recording of the subject's responses for documentation purposes

B

12

Questioning Techniques

BSIS Training Manual

An open-ended question is specifically designed to:

- A. Confirm a specific fact and can be answered with yes or no
- ✓ C. Encourage a detailed, narrative response that provides maximum information
- B. Establish control by limiting the subject to a defined set of possible responses
- D. Allow the guard to direct the subject toward a predetermined answer

C

13

Questioning Techniques

BSIS Training Manual | PC §837

A security guard has no legal obligation to share information gathered during questioning with anyone, with the exception of:

- A. The property owner, upon any request for information
- ✓ B. Law enforcement acting in an official capacity during a lawful investigation
- C. MACCESS INC. management exclusively — all information is proprietary
- D. BSIS auditors upon annual license renewal

B

14

Documenting Suspicious Activity

BSIS Training Manual

A BSIS-compliant written description of a suspect or person of interest must include:

- A. The subject's name only, if it was obtained during the contact
- ✓ B. Sex, race, age, height, weight, hair color, eye color, clothing, and distinctive identifying features
- C. Only the two or three details the guard considers most relevant to the incident
- D. Primarily photographic documentation — written descriptions are considered insufficient

B

15

Documenting Suspicious Activity

BSIS Training Manual

Which of the following should NOT be documented as suspicious activity?

- A. A person systematically photographing security cameras and door access panels
- ✓ C. A regular, known employee entering the building through the main entrance
- B. An unattended bag or package found in an unusual location within facility
- D. A vehicle that has circled the property multiple times without an apparent purpose

C

16

Documenting Suspicious Activity

BSIS Training Manual

After observing suspicious behavior, a security guard's recommended first action is to:

- A. Immediately confront the person to establish authority and deter the behavior
- C. Disregard the observation unless an overt criminal act is committed

✓ **B. Continue observation, carefully document all details, and contact supervisor or law enforcement if the situation warrants**

- D. Broadcast a general alert to all staff via radio immediately

B

17

Documenting Suspicious Activity

BSIS Training Manual

A 'be on the lookout' (BOLO) description that a security guard provides to law enforcement should be:

- A. Kept confidential within the security team until law enforcement makes a formal written request
- C. General and non-specific to avoid any potential profiling concern

✓ **B. As specific and accurate as possible — and relayed to officers as soon as the situation permits**

- D. Provided only after the guard has formally submitted a written incident report

B

18

Review

BPC §7583.6

A security guard's shift log is required to be completed:

- A. At the conclusion of each shift in a single consolidated entry
- C. Only when a reportable incident occurs that requires formal documentation

✓ **B. Continuously throughout the shift — significant observations and incidents recorded as they occur**

- D. Weekly during the scheduled Monday morning post briefing

B

19

Review

Title 16 CCR §643(b)

Training certificates and documentation of completed training must be retained by the PPO and made available to BSIS for how long?

- A. Six months from the date of completion
- C. One year from the date of completion only

✓ **B. For the duration of the guard's employment, and available to BSIS upon request**

- D. Five years following the guard's last day of employment

B

20

Review

BPC §7583.6

A guard observes two persons arguing near the building entrance. The argument is verbal only — no physical contact has occurred. The guard's recommended action is to:

- A. Ignore the situation, as no crime is being committed
- ✓ **C. Observe from a safe position, be prepared to intervene if it escalates, and document the incident**

- B. Approach immediately and attempt to mediate the dispute directly
- D. Call law enforcement immediately — verbal arguments are a public concern

C

21

Review

PPO License

MACCESS INC.'s California Private Patrol Operator license number — required on all BSIS Certificates of Completion — is:

- A. #112233
- C. #133445

- B. #100001
- ✓ **D. #122729**

D

SCORING GUIDE & INSTRUCTOR NOTES

Passing Score

100% — all 21 questions correct required per BPC §7583.6(b)

Failed Assessment

Full retake required. Student must review all course modules before retaking.

Certificate

Issue Certificate of Completion ONLY upon 100% score. Sign, date, and retain a copy.

Record Retention

Retain each student's assessment record for duration of employment. Available to BSIS on request per Title 16 CCR §643(b).

Confidentiality

This answer key is for MACCESS INC. instructor use only. Never share with students before, during, or after assessment.

Live Scan

Live Scan integration is pending equipment acquisition. When active, completed LS records will be stored alongside training records.
